

Hello New *home* Owner

Congratulations on the purchase of your new *home*. In partnership with your real estate consultant we are delighted to offer you an exclusive offer at the SEARS **Home** Store in Newmarket.

This offer will save you an **extra ten percent** on your *home* Furnishings and Sleep Set purchases and an **extra five percent** off your Major Appliance and **home** Electronics purchases. These **savings** are on top of our best sale pricing and they are not available to the general public.

We offer the largest selection of Major Appliances in North America, including the #1 selling brand in Canada, KENMORE. We are confident we have the best pricing, however we will price match our competition. We offer installations, extensive protection agreements (warranty) and financing options. In addition, we service what we sell.

We sell primarily Canadian made living room and family room collections, with many custom fabric and colour choices. We have a large selection of Sleep sets and Canadian made Solid Wood Dining & Bedroom Collections. We also have the largest Natuzzi & Ital Leather Gallery in the area.

Our aim is to provide the lifestyle that you deserve and build customers for life.

We are Jim Delpippo and Lisa Shilsar. Jim will be able to assist you with all your *home* Furnishings and Sleep Set needs and Lisa is your Major Appliance expert. Please call either Jim or Lisa @ 905 830 0049 before you come in and we will make sure to have a package ready for you with your extra discount coupons.

We look forward to helping you make your new house a **home**. We will see you soon.

Sincerely

Jim Delpippo  
Furniture & Sleep Set Consultant
